Would you like to maximize your donations at no extra cost?

Section 848A Taxes Consolidation Act 1997 (TCA 1997) provides for a scheme of tax relief for certain eligible charities. If you are a PAYE taxpayer, your donation to us can be significantly increased if the donation you make over the course of a year is €250 or more. Therefore, if a standing order of **€21 per month** is made to Dog Action Welfare Group (totaling €252 over the calendar year), your donation can be grossed up and equal a substantially higher donation:

(a) **Individual on the standard rate of tax, i.e. 20%**

If an individual donates €252, the value of the donation to DAWG is €315.

(b) **Individual on the higher rate of tax, i.e. 41%**

If an individual donates €252, the value of the donation to DAWG is €427.12

Cork DAWG will therefore be able to claim the extra donation from Revenue at the end of the tax year. Remember that in order to apply this tax relief, you **must** post the standing order mandate back to us at the address above, so that we can process your claim at the end of the calendar year. We will forward it to your bank for you. **Thank you very much!**
